## A. PAYMENTS

### A(1). Plan Payments.

The future earnings of Debtor are submitted to the supervision and control of the Trustee. Debtor shall pay the Trustee the sum of \$ 2,323.00 per month for the first (1) month of the plan, then \$2,708.00 per month from months two through the end of the plan (2-end) per month (enter all step-payments), for a period not to exceed sixty months. Debtor shall commence payments within thirty days of the Petition Date, and distributions shall begin upon confirmation pursuant to § 1326(a). The effective date of the Plan shall be the date of entry of an order confirming the Plan.

From the payments so received, the Trustee shall make disbursements, subject to the Trustee's fee. The disbursement schedule is dependent upon receipt of regular monthly Plan payments. Any increases to monthly mortgage or escrow payments without corresponding changes to the Plan payment may impact the disbursement schedule. The Trustee has the discretion to calculate the amount and timing of distributions as is administratively efficient.

### A(2). Pre-Confirmation Adequate Protection Payments/Lease Payments.

The following pre-confirmation adequate protection payments on claims secured by personal property and pre-confirmation lease payments for leases of personal property shall be paid by the Trustee, subject to his full fees, to the creditors listed below. Except as provided by § 501(c), secured creditors must file a proof of claim to receive payment. Unless otherwise ordered by the Court, these payments will be retained by the Trustee until confirmation and distributed after confirmation. If the case is dismissed or converted prior to confirmation, the Trustee will distribute the retained payments, pro rata, based on the adequate protection payment amounts.

Regular mortgage payments on the following mortgage claims will be paid on a conduit basis by the Trustee, subject to his full fees, beginning with the first calendar month after the Petition Date, if conduit payments are required by LBR 3015-1(d)(1) or proposed by Debtor. Confirmation of the Plan shall impose an affirmative duty and legal obligation on the holders and/or servicers of mortgage claims to do all of the following, unless the case is dismissed or converted:

(a) Apply the post-petition conduit mortgage payments as post-petition monthly payments of principal and interest on the mortgage note, and, if applicable, as post-petition monthly payments of escrowed items such as insurance and/or real estate taxes. If such payments are placed into a suspense, forbearance or similar account, they will be deemed to have been applied pursuant to this subsection.

(b) Apply the payments received from the Trustee for payment on the arrearage, if any, only to such arrearage. The arrearage shall be deemed paid in full upon the entry of the discharge order in this case, unless otherwise ordered by the Court

(c) Deem the pre-petition arrearage contractually current upon confirmation of the Plan so as to preclude the imposition of late payment charges or other default-related fees and services.

(d) File and serve a Notice of Mortgage Payment Change on Official Form 10S1, within the deadline and in compliance with the service requirements set forth in BR 3002.1(b), to reflect any changes in the monthly mortgage payments or escrow amounts that occur during the term of the Plan. The Trustee will make no distributions in respect of mortgage payments, mortgage arrearages, or real estate taxes on surrendered real property, unless otherwise provided in the Plan or by order of the Court.

(c) Upon confirmation of the Plan, the automatic stay of § 362 shall be deemed modified to allow *in rem disposition* of the real property as necessary to effect the surrender.

NOTE: If, at any time after confirmation, sufficient funds are not available to make a full monthly payment on all Class 1 claims, at the Trustee's discretion, the available funds will be distributed pro rata on Class 1 claims.
